

Hitchcock Research Group

MISSION STATEMENT

- 1) To enhance the synthetic and analytical skills of undergraduate and graduate students in conducting synthetic organic chemistry.
- 2) To conduct effective research that prepares undergraduate and graduate students for the pursuit of positions in academia and industry.
- 3) To provide a professional environment that is conducive to personal and professional growth.

Sincerely,

Shawn R. Hitchcock, Ph.D.
Associate Professor of Chemistry
Principal Investigator, Hitchcock Research Group
Department of Chemistry
